# FIRST CONGREGATIONAL CHURCH

UNITED CHURCH OF CHRIST

Epistle for the Week of January 2, 2020

**Dear First Congregational,**

Happy New Year beloved ones of God! I pray that 2020 greets you with kindness, peace and love. Know that as we begin a new year together that God is with us. God's love surrounds us. You are loved by God today and every day. Here is one of my favorite blessings that I share with you for the New Year:

St Patrick's Breastplate (an excerpt from this famous prayer, attributed to St Patrick - patron Saint of Ireland)

*Christ with me, Christ before me, Christ behind me, Christ in me, Christ beneath me, Christ above me, Christ on my right, Christ on my left, Christ when I lie down, Christ when I sit down, Christ when I arise, Christ in the heart of everyone who thinks of me, Christ in the mouth of everyone who speaks of me, Christ in every eye that sees me, Christ in every ear that hears me.*

Blessings,  
Pastor Sarah

## Worship

### Sunday Worship Service: Epiphany Sunday & Blessing of the Solar Panels

Pastor Sarah will be preaching on "God's Good Light."

Scriptures: Matthew 5:16 & Ephesians 5:8

This Sunday, we will have a special Blessing of the Solar Panels ceremony during the 11:00 service to dedicate our solar panels.

### A Note From Your Music Designer

At night while we slumber in our beds, the sky is dark with only pinpoints of stars hinting at the hope of light to come. We awake to the sun's brightness and warmth peeking over the horizon, once again bringing us a new day's light. As we await the light while darkness reigns at night, we remember that our brothers and sisters on the other side of the planet are enjoying their light until their day ends. This ever-constant resource from God which brings life to our planet's waters, plants, and animals is a reminder that we share all that is given to us with everyone, and everyone is entitled to the sharing and giving.

God not only sent us light in the form of the sun, but with a son. Jesus brought light and brightened awareness to a world of dull darkness and separateness.

Our personal lives are often filled with darkness at times. Then in waiting we suddenly

come back to light. This constant cycle of dark-to-light-to-dark-to-light reminds me of the construction of our beloved Psalms. First there is disorientation, then new orientation.

Music is full of all the drama that mirrors God's creation. It can be warm, cool, fast, slow. Its sound can make us feel many emotions. When I think of the undulating hills and valleys starting at the top and sliding down. It's as if the violins are slowly descending in a portamento as the contrabasses then meet at ground level and take the portamento down to the depths of the valleys, only to again climb back up to the heights of elation. Music has cycles of breath and rest. A good phrase begins a statement, develops it to a climax, and then as it concludes, it takes a pause while another voice is taking their turn in the musical community.

This week I have orchestrated a piece of music by my favorite composer, Henry Mancini, which will occur in the middle of the service. When I thought about light and how it is reflected in music, this piece spoke to me. There is a constant subtle cycle from major-to-minor-to-major-to-diminished-to-major that reminds me of the cycle of the Psalms and the cycles of day and night. In music, in order for the lightness to be recognized, it must be balanced in undulation with darkness (i.e. major/minor). Though this motif cycle continues throughout the piece, I find it interesting that I started it in the key of F, but towards the end decided to raise it to the higher (lighter) key of Ab. This melodic theme is filled with small light/dark cycles, but its overall arc is the journey from dark to light—like night to day where the sun's energy brings us new life. In reflecting on this musical idea and then preparing the orchestration, it occurs to me that this musical journey very much mirrors our individual life experiences. I hope you can meditate on your own life's Psalm cycles but also appreciate how our hope has brought us light from Jesus feeding our souls in addition to light from the sun feeding our solar panels to further our ministry here at First Congregational Church.

-- Sean

### Will You Serve on a Board in 2020?

Most of the ministries of our church are planned and managed by our 5 boards. We currently have several openings for 2020. This is a great way to get involved, and make a difference in people's lives. Our boards are: Worship & Faith, Care & Connection, Witness & Welcome, Outreach & Service, and Trustees. Also, we are looking for a new Financial Secretary; this position records our pledges, gifts, and donations, and one needs to have a comfort level with numbers and tracking details. If you would like to learn more about these opportunities, please contact Wendy Baldwin.

### **The Green Team wants YOU!**

The Green Team could use more members! Fresh off our success in getting solar panels installed, we have fresh ideas for 2020--but could use some help dragging them across the finish line. If you have any interest in joining up to help, please contact any of us, particularly Rich Gibson, Nancy Dickinson, Bill Gillette, Ann Leatherman or Katie Booth

### **Green Team Tip**

Looking for smart ways to recycle Christmas cards? Three organizations re-use the fronts of Christmas cards for crafts (Zionsville Public Library, Boone County Senior Services) or for re-sale (St Jude's Ranch for Children). The latter cannot use Hallmark, American Greetings, or Disney cards. Contact Janet Selby for more information at 317 873 9539. (If you want to share a green habit, please send it to [hoot.gibson.tds@gmail.com](mailto:hoot.gibson.tds@gmail.com).)

### **Food Donations for the Northside Pantry**

Donations have been generous and are appreciated. Please keep them coming! We are grateful to the Meridian Hills Nursery School and Kindergarten who has joined us in donating and delivering food to the pantry.

### **January Mission of the Month: Indiana Youth Group**

Indiana Youth Group (IYG) - Mission of the Month

IYG has grown from a group of about a dozen youth to a social service agency providing resources for almost 1,000 youth and their families. Our donations to IYG help assure that the mission of IYG will expand throughout Indiana and act as a witness to FCC's ONA commitments.

# FIRST CONGREGATIONAL CHURCH

UNITED CHURCH OF CHRIST

Epistle for the Week of January 9, 2020

**Dear First Congregational,**

One of the ways new people find out about our church is in their search to find a truly Open and Affirming congregation. We've been living into this Open and Affirming covenant as a church for over 25 years now and this Sunday our worship will celebrate and reflect upon on the multiple ways we seek to be Open and Affirming.

It's a great Sunday to bring a friend, neighbor, co-worker or family member with you to church! Our music, prayers, and message will highlight our commitment to a radical belonging for all God's people. Then, after church stay for our Buzz about inclusivity.

We cannot forget or take for granted just how important it is for a Christian community to boldly and publically proclaim our Open and Affirming commitments. The world needs, and Indianapolis needs, our witness and our extravagant love.

Blessings,

Pastor Sarah

We will be changing the groups around – the idea is to be in fellowship and get to know different people – so the more the merrier! **If interested, please click [here](#) to complete the sign up sheet and return it to church by February 16.** Presented by Care & Connections board – please contact Karen Walker (317-319-8950 or [karen.e.d.walker@gmail.com](mailto:karen.e.d.walker@gmail.com)) or Wendy Baldwin (317-319-0806 or [wendy.baldwin@rci.com](mailto:wendy.baldwin@rci.com)) for any questions or help with sign up.

### Green Team Tip

Going shopping? Be sure to take your reusable shopping bags. Don't have any? They are available cheaply at most grocery stores. Also, we may still have some at church.

### Food Donations for the Northside Pantry

Donations have been generous and are appreciated. Please keep them coming! We are grateful to the Meridian Hills Nursery School and Kindergarten who has joined us in donating and delivering food to the pantry.

### January Mission of the Month: Indiana Youth Group

In 1987 the Indiana Youth Group was founded by two volunteers in order to provide a safe space for social gatherings for self identified LGBTQ+ high schoolers. IYG has grown from a group of about a dozen youth to a social service agency providing resources for almost 1,000 youth and their families. Our donations to IYG help assure that the mission of IYG will expand throughout Indiana and act as a witness to FCC's ONA commitments.

### Pantry Items of the Month

During the month of January, we are collecting: noodles, muffin mix, cereal, shampoo

# FIRST CONGREGATIONAL CHURCH

UNITED CHURCH OF CHRIST

Epistle for the Week of January 30, 2020

**Dear First Congregational,**

I am profoundly grateful to this congregation for your faithful discernment to vote to become a WISE (Welcoming, Inclusive, Supportive, and Engaged) congregation for mental health. Thank you to the members of our Mental Health Team and especially thanks to co-chairs, Sandy Wood and the Rev. Dr. Pat Larracey. As you may know, I personally have been on my own WISE journey for a long time. I was there in 2015 at the United Church of Christ General Synod when our denomination voted to support the WISE movement. I then worked on the UCC Mental Health Network Board of Directors as Vice Chair to develop the steps for congregations to become WISE.

So as you may imagine, on Sunday as I listened to our congregation read aloud our own WISE covenant, my heart was filled with deep awe at how God's Spirit moves. Being part of this journey for so many years, it was quite gratifying to be part of a local church living out this commitment. I am excited about how our WISE journey will unfold.

It truly is humbling and an honor to be part of First Congregational United Church of Christ as we are trailblazers in this WISE movement. God is surely well pleased.

Blessings,  
Pastor Sarah

## What's Happening at FC

(See [January Colony](#) for monthly announcements and further details.)

### Greetings from your new Moderator!!

I am so very grateful that you have entrusted me with the awesome responsibility of this office for the year of 2020! By the end of this year I hope you will be happy that you did. Excitement frequently accompanies change (hopefully, positive excitement), and that's what I'm feeling as I step into this new role. Pastor Sarah, Vice Moderator Larry Eckel, and

I am planning the upcoming **board retreat on Saturday, February 8, 2020, 9:00-12:00 AM, with breakfast snacks and coffee available at 8:30.** This will be an opportunity for some socializing, visioning, orientation, and organizing, with some fun thrown in for good measure. I hope to see all board members – new and old – present that morning, but anyone not currently serving on a board is invited to attend as well. Ministry teams are essential to the work of the church, so please see this as an opportunity for meeting with boards about plans and needs. And if you're not currently on either a board or a team, come for the breakfast and socializing! You just may hear something that inspires you to serve in a new way.

One more thing: I consider listening with an attentive ear to be a large part of the Moderator's role, so please feel free to contact me about anything church-related, good or bad, positive or negative. I will do my best to hear you, as you are a vital part of this place of belonging, healing, and love.

In faith,

Alice Rutherford

### **Choir Rehearsal TONIGHT!**

The FC Choir rehearses on Thursdays from 7:00 to 8:30 PM. We welcome new members. If anyone is interested in joining the choir, please email Julie at [juliehouston@comcast.net](mailto:juliehouston@comcast.net). We would love to have you join us!

### **Church Office Hours Next Week - Jury Duty**

Our office administrator, Shannon, has been called upon next week to fulfill her civic duty through jury duty. Therefore, she may or may not be in the office next week, depending on whether or not her jury group is selected to appear. She is working hard this week to make sure all publications for next week are completed, and may be able to check office email from home in the event that she is indeed called to be on a jury. Thank you for your understanding.

### **Nicaragua Mission trip information meeting - Sunday, Feb 2 (after worship)**

We are looking into FCC's next mission trip to Nicaragua in 2020. We have a relationship with CEPAD, the Council of Protestant Churches in Nicaragua, and support the organization as it strives to improve the situation of people who are victims of earthquakes, hurricanes, and times of crisis, especially in the isolated rural areas of the country. Brigades from FCC go to Nicaragua and help with local community programs and projects that improve the lives of the people who live in the second poorest country in the western hemisphere. If you are interested in participating, come to the information meeting in the library on February 2nd after the service. Contact Rita Hummel for more information Ph: 317-875-8388, email: [rithum1970@comcast.net](mailto:rithum1970@comcast.net).

### Supply Drive for Family Promise

Please put items in the large white laundry hampers in the narthex or use the white trash bags that are in those hampers. Supplies will be delivered to Family Promise from Feb. 24 through Feb. 27. Your generosity will be appreciated by Family Promise and those they serve.

### **Green Team Tip**

Water is becoming scarce, even though our area has plenty. West coast is in a drought. Save clean water by using dry detergent rather than liquid in your laundry.
